VALUE. SUPPORT. EMPOWER.

Kenowa Hills Public Schools 2022-2023 District Annual Education Report

Date: January 9, 2023

Dear Parents and Community Members:

We are pleased to present you with the district's Annual Education Report (AER). This report provides key information on educational progress for the Kenowa Hills Public Schools and our schools for the 2021-2022 school year. The AER is designed to meet the complex reporting requirements of federal and some state laws. Our staff is available to help you understand this information. Please contact Bill Dinkelmann, Assistant Superintendent, for help if you need assistance.

The Kenowa Hills AER is available for you to review electronically by visiting the following web site, [Kenowa Hills Public Schools Annual Education Report Data](#), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes results from three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Reports assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales

khps.org

2325 Four Mile NW, Grand Rapids MI 49544 ♦ P 616.784.2511 ♦ 616.784.8323

- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate, and safety

For the 2021-22 school year, some Michigan schools were identified using labels and definitions as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Schools not meeting these definitions are not identified with any of these labels.

There are no KHPS schools identified as TSI, ATS, nor CSI.

We are proud of and continue to be focused on our efforts to improve the learning for each and every student at KHPS. These efforts would not be possible without the critical support of our community. We look forward to continuing to partner with the KHPS community as we value, support, and empower all learners to achieve their full potential.

Sincerely,

Gerald Hopkins
Superintendent of Schools
